**Tuttle Blacksmith
and Welding**

Steel and concrete construction makes **Mane Stay** "Real" Horse Stalls able to live up to the name. "Real" Horse Stalls will be here long after we're all gone.

Maintenance free and indestructible stalls make your life easier and safer.

All options are available when it comes to the design of your "Real" Horse Stalls, and include the **Mane Stay Guarantee** of quality and elegance.

"Real" Horse Stalls are custom built to match your needs and style.

Other equipment, such as tie rails, rings, saddle racks, vet-check and shoeing stocks, decorative benches and railings, stair cases, doors, stools, and more, can be fabricated to your preference.

Specifications*:

- 3" Concrete Walls
- C3-5.0 Channel Frame
- #3 Rebar, 12" on center
- 1/4" Woven Wire, 2" Openings
- Tube Steel Frames
- 1" Tube Steel Vertical Bars
- Custom Stall Sizes/Heights

* Unlimited options available.

Quality is always our desire, as a reputation is forever!
